

I am deeply
concerned about
Sinclair
Broadcasting's
decision to force
their stations to
air a one-sided
clearly political
piece immediately
for the election.

This is wrong.
Please do whatever
you can to stop
them.

This is also one
more reason why we
must do what we can
to keep the airwaves
from falling under
the control of
mega-corporations
like Sinclair -- one
more reason to limit
media ownership, to
strengthen the rules
that keep single
corporations from
controlling large
blocks of airwaves
so that listeners
and viewers only get
access to
programming from one
source -- it is one
of the most
frightening
developments in
America today
because this, the
airwaves, is where
most Americans get
their "education."
